CONFIDENTIAL DATA PROTECTION ADDENDUM

Section 1: Data Handling Requirements

Contractor agrees to maintain strict confidentiality of all trade data including but not limited to:

- Shipping manifests and bills of lading
- Supplier and customer information
- Pricing and volume data
- Product specifications and classifications

Section 2: Prohibited Activities

Contractor shall not, without express written consent:

- Share trade data with third parties
- Use data for competitive analysis
- Retain data beyond contract term
- Access data beyond operational necessity

Section 3: Security Requirements

- Implement industry-standard data encryption
- Maintain access logs and audit trails
- Report security incidents within 24 hours
- Submit to annual security assessments
