ImportYeti Removal Guide

Complete process for removing protected trade data from ImportYeti

Platform Overview:

ImportYeti is a popular trade intelligence platform that provides free access to US import data with paid premium features. They aggregate CBP manifest data and make it searchable.

Contact Information:

â¢ Support Email: support@importyeti.com
â¢ Privacy Contact: privacy@importyeti.com
â¢ Website: https://www.importyeti.com/contact

Required Documentation:

â¢ CBP manifest confidentiality filing number and approval
â¢ Entity name variants covered by filing
â¢ Screenshots of protected data on ImportYeti
â¢ Proof of authorization to request removal

Removal Process:

Step 1: Search and Document

â¢ Search ImportYeti for all entity name variants
â¢ Check both free and premium search results
â¢ Screenshot all instances with URLs visible
â¢ Note specific protected data elements

Step 2: Submit Removal Request

â¢ Email privacy@importyeti.com with complete documentation
â¢ Use subject: "CBP Privacy Filing - Data Removal Request"
â¢ Include all screenshots and filing documentation

Step 3: Follow Up and Verify

â¢ ImportYeti typically responds within 7-10 business days
â¢ Verify removal across all search methods
â¢ Check related company connections and shipment details

Email Template:
