Trademo Removal Guide

Comprehensive guide for trade data removal from Trademo platform

About Trademo:

Trademo is a trade intelligence platform specializing in emerging
market data analysis and global supply chain transparency.
They aggregate multiple data sources including US CBP manifests.

Contact Information:

â¢ Data Privacy: privacy@trademo.com
â¢ Customer Support: support@trademo.com
â¢ Phone: +1 (555) 123-4567
â¢ Address: Trademo Inc., 555 Market St, San Francisco, CA 94105

Required Materials:

â¢ CBP manifest confidentiality filing number
â¢ Official approval documentation with effective date
â¢ Entity names and variants covered by filing
â¢ Screenshots of violations from Trademo platform
â¢ Legal authorization to request removal

Step-by-Step Process:

Step 1: Comprehensive Search

â¢ Search Trademo using all entity name variants
â¢ Check company profiles, shipment records, and analytics
â¢ Review supplier network maps and trade flow analyses
â¢ Document all instances with complete screenshots

Step 2: Prepare Documentation Package

â¢ Compile CBP filing documentation
â¢ Organize screenshot evidence with annotations
â¢ Prepare formal removal request letter
â¢ Include corporate authorization

Step 3: Submit Formal Request

â¢ Email complete package to privacy@trademo.com
â¢ Request confirmation of receipt
â¢ Ask for processing timeline

Step 4: Monitor and Verify

â¢ Trademo typically responds within 5-10 business days
â¢ Verify complete data removal across all platform sections
â¢ Set up monitoring for future data re-appearance
