ImportInfo Removal Guide

Professional approach to trade data removal from ImportInfo platform

Platform Background:

ImportInfo aggregates US import/export data and provides detailed
trade intelligence through searchable databases and reports.
They source data directly from CBP manifest filings.

Contact Details:

â¢ Privacy Email: privacy@importinfo.com
â¢ Support: support@importinfo.com
â¢ Phone: (888) 694-6776
â¢ Mailing: ImportInfo, 1234 Trade Center Dr, Los Angeles, CA 90012

Documentation Requirements:

â¢ Official CBP manifest confidentiality filing
â¢ Filing approval letter with effective date
â¢ Complete list of protected entity variants
â¢ Evidence screenshots from ImportInfo platform
â¢ Corporate authorization letter

Removal Procedure:

Phase 1: Evidence Collection

â¢ Search all entity name variants on ImportInfo
â¢ Document shipment details, company profiles, trade reports
â¢ Capture screenshots with timestamps and URLs
â¢ Check both current and historical data sections

Phase 2: Formal Request Submission

â¢ Prepare comprehensive removal request package
â¢ Send to privacy@importinfo.com with legal documentation
â¢ Request confirmation of receipt and processing timeline

Phase 3: Processing and Verification

â¢ ImportInfo typically processes requests in 10-15 business days
â¢ Verify complete removal across all platform sections
â¢ Monitor for data re-appearance in future updates

Request Template:

Subject: Privacy Data Removal - CBP Manifest Confidentiality

Dear ImportInfo Privacy Team,

We formally request removal of protected trade information
covered under CBP filing [FILING_NUMBER].

Details:
